AMENDMENT

Sir:

In response to the Office Action mailed November 6, 2001, please amend the above-identified patent application as follows:

IN THE CLAIMS:

1. (Thrice Amended) Apparatus comprising:

- Subdi
c'
- a first supply source of sterile air;
 - a supply source of sterilant;
 - an atomizing system producing an atomized sterilant from the mixing of the sterile air from the first supply source of sterile air with the sterilant;
 - a second supply source of a hot sterile air for providing the hot sterile air to the atomized sterilant;
 - a probe for applying the atomized sterilant into an interior of a container;
